## Final Plans For County Exposition To Be Discussed

Final plans for the forthcoming Palm Beach County Exposition to be held at the International Airport from February 18-25 will be discussed at a meeting at the Exposition offices Tuesday morning by West Palm Beach Chamber of Commerce representatives Edward F. Stumpf and Richard D. Hill with Ralph J. Blank and Elmer Hedrick of the Resources Development Board. Members of the County Commissioners have been invited to attend, according to W. Karl Latsons, director of the Exposition.

Mr. Latsons is expected to report that approximately 60 percent of all space inside the buildings has been reserved by county exhibitors, who are even now drawing up specifications of their 1951 displays that promise to exceed all previous showings.

For the first time the Exposition will show a leaning toward its ultimate goal of a real County Fair, for in addition to the usual interesting Everglades products, dairy and beef cattle will have a prominent position in the large array of exhibits.

Educational exhibits will include a thirty foot booth designed by the State Forestry Division, a new diorama presented by the Central & Southern Florida Flood Control district calling attention to the progress and development attained in the past year, a garden display of products obtained from the peat deposits in the Boynton Beach area, and individual displays including ceramics and unique treatment of plastics.

The Exposition grounds will be cleared and landscaped prior to the opening and lighting facilities improved. An afternoon cooking school will be featured daily by the Electrical Dealers of the Palm Beaches in conjunction with the Florida Power and Light Company, with Mrs. Lydia Flanders, home economist in charge.

County exhibits will include showing of all phases of home construction, furniture of wood, rattan and bamboo manufactured in the county, business machines, nursery displays, and entire building devoted to the most modern in home electrical units, patio and tile products, tropical fruit and fish, interior and exterior decorations, radio broadcasting booths, and the various services offered by county concerns in the area.

Entertainment will consist of top billing acts to be presented nightly, and will be augmented by an increased section of new rides for children including an animal show of national renown.

Arrangements are being made to have ample bus service to the entrance of the Exposition. The Exposition features a 3,000 car free parking space.

## HIGH SCHOOL BAND TOOK PART IN FESTIVAL

The Pahokee High School Band and its bandmaster, Robert O. Lampi, traveled to Lake Worth Wednesday night of this week to take part in the Festival of the Sun parade.

## FFA Judging Team Won First Place

The judging team sponsored by the Pahokee Chapter, Future Farmers of America, won first place in the FFA livestock judging contest in Fort Pierce on Jan. 10. The Pahokee team rated 743.92 points in its judging. The Okeechobee team was second with 709.625 points. These teams were followed by Vero Beach, third; Fort Pierce, fourth, and Stuart, fifth.

Don Adams was the high scoring man on the Pahokee team. Others on the team were Franklin Howell, Jacob Weeks, Eugene Williams, and David McCoy.

## Fire Well Plans Are Completed

Progress on plans for the proposed fire well to be dug in the perimeter canal of Lake Okeechobee as a fire protection for the Canal Point packing house section was reported at the dinner meeting of the Canal Point Lions Club Monday night.

Both the U. S. Engineers and the Florida East Coast Railway Company have approved the plans. FFC has already built a special crossing south of the Nocatee-Manatee Crater Company warehouse for the dragline to cross over the rails to the canal. Negotiations are now under way to contract the digging job. The various packing and business houses in the area will share the expense of digging the well and the Canal Point Lions Club is acting as agent for the group to get the project carried through.

A. R. Harrington, program chairman, introduced J. F. McCall of Port Mayaca, guest speaker, who told of his recent trip to Brazil, S. A., where he visited his brother and other relatives in that country. President Boyd Vorhees presided.

## State Market Director Report Increase

JACKSONVILLE — "Markets through the system of Florida State Markets report volume and quality increasing daily on fresh fruit and vegetables with a good demand and the market firm to high on all produce and fruit offered."

"Favorable weather conditions are conducive to spring planting and crops, and the outlook for the spring vegetable deal at the moment is most encouraging," according to William L. Wilson, director of state markets.

## Work On Levee No. 8 Delayed

JACKSONVILLE — Lack of approval from Washington has delayed start of work on Levee No. 8 and its adjacent canal east of Lake Okeechobee in the Central and Southern Flood Control Project, engineers announced this week.

Unofficial opinion was that military defense projects have been put ahead of the \$1,500,000 Florida flood project.

## 20 Blue Devil Players Receive Sweaters & Letters

Coach Jim Maynor presented sweaters and letters to 20 members of the Pahokee High 1950 Blue Devil football squad during the assembly period in the high school auditorium Friday. Players earning both sweaters and letters were Jack Boland, Sidney Caruthers, Charles Wilson, Buddy Hewell, Bill Hatton, Junior Holmes, Charles Holmes, Ronnie May, Rusty Millon, Skipper McCurdy, Alfred Meeks, George Rozelle, Bobby Schroder, Billy Turbeville, Melvin Tillis, Eugene Williams, Carmey Wilder, Trevett Weeks, Bobby Schroder and Frank Rosenberg. Letters only were received by Oral Adams and Eugene Buchanan.

Letters and sweaters were also presented to the following cheerleaders: Ann Thompson, Nancy Ann McCoy, Bonnie Meeks, Shirley Watson, Gloria Stuart, Wanda Harper and Wynell Gillis.

## Gladioli Festival In Delray Feb. 26th

DELRAY BEACH — An invitation to all South Florida residents to enter special or commercial exhibits in the South Florida Gladioli Festival and Fair to be held here Feb. 26 through Mar. 3, was issued this week by R. C. Lawson, president. Mr. Lawson said that the Festival Association hopes to make the Festival each year more representative of the entire south end of the state.

Horticulture and agriculture displays are sought as well as commercial exhibits from South Florida business firms, he said.

Planning the Festival for the first time without a carnival, the Festival Association has arranged for a large number of mechanical rides and five attractions including a Punch and Judy show, a spook house, an animal show, a snake show and a motordome. Organizations will have all the concessions on the midway.

Local gladioli growers have planted thousands of extra bulbs for the Festival and Delray Beach home owners bought 20,000 bulbs in four days in November to plant in their front yards for bloom during the week of the Festival.

## Blue Devil Cagers Play Ft. Pierce Tonite

The Pahokee High Blue Devil Cagers will play the Fort Pierce Eagles in the local gym this Friday night with the B prelim contest scheduled to get under way at 7:15.

Coach Bill Howard is revamping his A team lineup to meet the Eagles who are now leading the Suncoast Conference. Against Seacrest Friday night the A team went down to a 70-55 defeat while Coach Jim Maynor's B team ran up a 41 to 36 victory.

Victor Lombardo and his orchestra have been engaged to play at the 80th Annual Coronation Ball in St. Petersburg.

## County Commission Presents Requests To State Road Department For 1951

### Jan. 30 Deadline To Order "Devil Trail"

Orders for copies of the "Devil's Trail", the 1951 Pahokee High School year book, are now being taken by members of the Senior Class, sponsors of the annual. The theme of this year's annual is reported to be novel and the workmanship good. Photographic work has been completed by Bill Bosworth and advertisements are now being sold. Orders for copies will be taken until the deadline, Jan. 30, according to Sidney Caruthers, circulation manager.

## Lions Banquet For Foot Ball Teams Is Announced

At the Tuesday luncheon meeting of the Pahokee Lions Club Bandmaster Robert O. Lampi introduced two members of his Pahokee High School Band, Charles Sears, cornetist, and Charles McCurdy, clarinetist, who played several instrumental solos, accompanied at the piano by Miss Patsy Maxson.

It was announced the annual Lions banquet for the Pahokee and Belle Glade football players will be held at the Everglades Country Club on Thursday Feb. 1, at 8 p. m., the boys to bring their dates for the big dance which is to follow the banquet.

Jimmy Shirley was voted a new member of the club.

## Hialeah Race Course Proves Value To Fla.

MIAMI — Figures released this week by Hialeah Race Course officials conclusively prove the value of the beautiful racing plant to Florida's tourist trade. More than 1,000,000 people visited the tract in 1950, with better than 474,000 sightseers touring Hialeah during the off-season. When added to the 573,000 horse fanciers who attended the 40-day racing meeting, the year's attendance figures reached 1,047,502.

In addition to the tremendous revenue it contributes to the state, Hialeah also gives a big boost to the post card industry. Nearly a million-and-a-quarter picture cards were distributed between the end of the racing season and December 31. Surveys reveal that five cards represent two visitors.

### TRIO TO PRESENT PROGRAM

The Upthegrove Trio will present a program of songs in the high school auditorium Tuesday night, Jan. 30, under the sponsorship of the Pahokee Parent-Teacher Association.

The Florida Railroad and Public Utilities Commission has set Jan. 28 as the date for a hearing on Southern Bell Telephone's application to increase intra-state rates. The hearing will be held in Jacksonville.

A proposed program of extensive improvements to Palm Beach County's highway network was presented to the State Road Dept. at its annual budget meeting in Tallahassee Wednesday, according to Paul Rardin, Canal Point, County Commission chairman.

Request for favorable action by SRD embraced more than a score of major projects affecting both the primary and secondary road systems, Mr. Rardin said.

Mr. Rardin headed a delegation of county officials going to Tallahassee to present the program.

Accompanying him were Vice Chairman Kenneth P. Foster, West Palm Beach; Commissioners Lake Lytal, West Palm Beach; Ben F. Sundy, Delray Beach; and John Prince, Lake Worth; County Engineer J. M. Boyd, County Atty. Harry A. Johnston, and R. B. McKee, executive secretary to the Commission.

Mr. Rardin in announcing the locations of the proposed projects, cited the "splendid cooperation" which Palm Beach County has received the past two years from the SRD, and "particularly from Merrill P. Barber, Vero Beach, district SRD member."

Regarding projects in the primary road system, Mr. Rardin said, "we are asking for these particular improvements because we feel that they represent a vital need in this area, and if completed will best serve the needs of this area."

However, he stressed as unlikely that the proposed county program would be accepted by the SRD in its entirety. Mr. Rardin expressed confidence that several of the requests would be included in the SRD budget for 1951.

The requests, he stated, were presented in the form of two resolutions adopted by the County Commission—one covering the primary road system in which the board asks that State funds be used to complete needed roads and bridges, and a second resolution affecting the secondary road network which lists work to be financed out of the county's share of the seventh-cent gas tax.

Mr. Rardin pointed out that last year about \$350,000 was made available to Palm Beach County through the seventh-cent gas tax program.

The SRD will be asked to complete all road and bridge work now in progress and to continue all projects which were planned in 1950 but on which no contracts were let.

Projects which the delegation will request in the primary road system:

Construction of about six miles of SR 117 from SR 80 north through Belle Glade and Chosen, to join with present construction at Bacom Point.

Construction of the four-lane super-highway, SR 9, between Yamato and Lantana Rd. intersection. Rights-of-way for this project have already been procured, Mr. Rardin said.

Construction of grade for additional section of A1A between Lake Worth and Lantana—a continuation of page 8)

## Cinematic Chatter By Malcolm Miller

Maybe you think the life of a movie player is a bed of roses, with plenty of time out for dips in the back yard swimming pool, play in the "gym", night clubs and dancing every evening. Oh, how Wrong you are. You may as well be working on the railroad, except for the money earned, and the fact that you do work set hours on the railroad. The life of a movie performer is just one work day after another, with time out for relaxation when the picture has passed through the cutting room and been officially edited. Let's take a musical show, for example. The stars of the piece must be singers and "hoofers". They go into a huddle with the director and go through the "script" (or story) for the dialogue end of the show. Their next huddle is with the director of music and the director of dancing numbers. Here the dance routines are set, after a lot of arguments and trials on steps. After these preliminary huddles the two stars meet early every morning at the studio and dance endless hours, putting the routines together. Every step, tap, leap must be perfect before the "shooting" of the picture. Sometimes it's heartbreaking, for one piece of dance business may take hours before it is good enough to go before the cameras. When the dance steps have been set between the stars the choros comes into their lives and they have ensemble numbers to work out. This is a terrific strain. Next comes their "lines", or the dialogue. These "scenes" are gone over and over until they meet the requirements of the director. Then this "jig-saw" has to be put together and made into whole show, which runs into weeks, sometimes months, depending upon the scope of the picture. It's no bed of roses, children! See you at the movies - Mal.

## 4-H Clubers To Have Program At Fair

GAINESVILLE—The boys and girls 4-H Clubs program at the Florida State Fair to be held in Tampa, Jan. 30 to Feb. 10, has been extended to include four club activities on a statewide level. It was announced this week by W. W. Brown and Miss Lorene Stevens, state 4-H club agents.

Activities included this year are annual 4-H award, 4-H Club Day, team demonstrations and exhibits. Plans are being completed to make 4-H Club participation bigger and better this year.

One 4-H Club boy and one 4-H Club girl from each Florida county is eligible for nomination for the State Fair Award for outstanding achievements in county programs. The awards, which can be won by an individual only once, will be made at the State Fair 4-H Club Day program in front of the grandstand Saturday, Feb. 10. Team demonstrations, full of action and designed to appear to Fair going crowds as well as being practical, will be conducted daily. A cash reward will be made to each of the demonstration teams at the close of the Fair.

The 4-H Club exhibit and demonstration headquarters will again be located in the Pan American Building.

The National Broadcasting Company will feature material from the 4-H Fair program on their National Farm & Home Hour national hook up from Chicago, through cooperation with their Tampa, affiliate Station WFLA.

## Mission Study Course Plans Announced

Plans for a mission study course to be conducted Jan. 29-Feb. 2 were announced by Mrs. John A. Dulany at a meeting of the Mary Martha Circle, First Methodist WSCS, at the home of Mrs. L. J. Fraser Monday night with Mrs. Ernest Maxwell, chairman, presiding.

Mrs. Robert Walker gave the devotionals which had as a theme, "Living Without Inner Tension." Mrs. J. G. Thomas, Jr., presented the program topic, "Peace of Mind in Our Times."

It was announced the next meeting will be at the home of Mrs. Maribelle Rawls, with Mrs. Hazel Jenkins, co-hostess.

Refreshments were served to 14 members by Mrs. Fraser, assisted by Mrs. John Wilson, co-hostess.

The 1951 St. Petersburg Festival of States parade is expected to be the longest and most colorful in the history of this event. One of the most colorful features of the parade will be the appearance of the world famous Kiltie Band, sponsored by Webb's City.

## Annie Jones Circle Has Regular Meet

The regular monthly business and program meeting of the Annie Jones circle was held Monday night, Jan. 16 in the Canal Point Missionary Baptist Church, with Mrs. J. H. Bordeaux, president presiding in the business session and Mrs. J. S. Atkins, program chairman, in charge of the program. A study of the new year book was part of the program. Mrs. Lois Jones gave the devotional "Choose You". Mrs. J. H. Bordeaux resigned as president due to ill health. Her resignation was accepted with regrets.

Mrs. G. L. Sims, in the absence of the first vice president, appointed Mrs. M. D. Geiger, Mrs. Grady Echols, and Mrs. J. S. Atkins as a nominating committee to appoint a new president. The meeting was closed with a prayer by Mrs. Charles Jorja.

Preceding the main parade to the St. Petersburg Festival of States on January 19, will be a Whing-Ding Comedy Carnival. Merchants and civic clubs have been asked to participate in this riotous carnival parade that is all in the spirit of fun.

## Mrs. Calvin A. Shive Honored On 70th Birthday Anniversary

Mrs. Calvin A. Shive was honored on her 70th birthday anniversary Monday afternoon at a birthday tea given by her four daughters, Mrs. John A. Dulany, Mrs. O. D. Carpenter, Mrs. Duncan Padgett and Mrs. Ralph Grimes at Mrs. Padgett's home on Canal Point Road.

The tea table, laid with a lace cloth, was centered with a birthday cake decorated in pink and white and encircled with fern and sweetheart roses. It was lighted with white tapers in silver holders. It also held silver tea and coffee service and silver trays for refreshments. The living and dining rooms were decorated with a profusion of gladioli, roses and carnations for the occasion.

In the receiving line with the honoree were her four daughters. Assisting with the pouring were Mrs. L. L. Shirley, Mrs. W. H. Lair, Mrs. R. J. Simonson, Mrs. L. W. Armstrong, Mrs. C. W. Byrd, Mrs. Sydney K. Smith, Jr., of Belle Glade and Mrs. Walter Curd of West Palm Beach and Tulsa, Okla. Throughout the tea piano selections were played by Mrs. Ralph W. Todd, Mrs. H. C. Graham, Mrs. Sydney K. Smith, Mr. and Miss Carol Carpenter.

Other assisting with the entertaining were Mrs. Leo Maxwell, Mrs. Jack Spencer, Mrs. J. V. Thomas, Mrs. Caymen Salvatore, Jr., Miss Nancy Seger and Miss Joy Padgett. There were approximately 150 guests.

## Legion Post 90 Has Regular Meet

Members of Fred and Percy Mansfield Post 90 at a meeting Monday night voted to observe Sunday, Feb. 4, as "go to church" Sunday in memory of the four chaplains and the men who went down in a U. S. ship during World War II on Feb. 3, 1943.

It was announced the local American Legion basketball team has played three games this season with Belle Glade, Stuart and Fort Pierce. The next meeting on Feb. 5 will be a work night session in the new Legion Hall, now nearing completion on Canal Point Road.

## Garden Clubs Hold Joint Meeting Today

The joint meeting of the Pahokee-Canal Point Garden Club in the Pahokee city park was postponed until this Friday, Jan. 19, according to Mrs. H. M. McIntosh, club president. The meeting will start at 10 a. m. and members are asked to bring sandwiches for a picnic lunch at noon.

## Sorority Has Barbecue And Outdoor Party

Pahokee's Beta Omicron Chapter of the Beta Sigma Phi Sorority had as guests of honor at a barbecue and outdoor party Saturday night two of the chapter's rushees, Mrs. Clyde Griffiths and Mrs. John Sutterfield, and their husbands and several members of the Belle Glade chapter and their husbands or friends. Those from Belle Glade attending were Mr. and Mrs. L. Kirchner, Mr. and Mrs. Ellis Wilkinson, Mr. and Mrs. Clyde Parriah, Mr. and Mrs. Eddie Schoepel, Mr. and Mrs. F. W. Cross, Jr., Mr. and Mrs. Carl Cone, Mr. and Mrs. Nick Paff, Mrs. Doug Wooten, Mrs. Earl Lindrose, Mrs. Ross Nash and Mrs. Fred Simmons.

The barbecue was held on the back lawn of the home of Dr. and Mrs. L. W. Armstrong with practically all of the Pahokee chapter members and their husbands or friends attending. Various games were enjoyed. The dinner included barbecued chicken, chicken pilau, tossed salad, doughnuts, coffee and cake.

In charge of arrangements was the chapter's social committee including Mrs. M. I. Keen, Mrs. Jack Phillips, Mrs. Gordon Hillier, Mrs. Curtis Chase, Mrs. Paul Tillery, Mrs. M. C. Carter, Mrs. Earl Maxson and Miss Ruth Evans. Also assisting was Mrs. Norman Kennedy, vice president, who has charge of the rush program.

## ATTEND FEDERATION MEET

## Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but

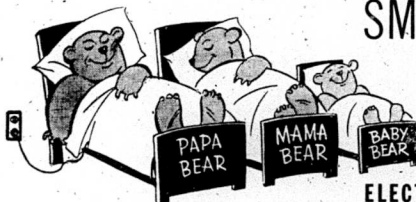

Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron, which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 56 years old."

## A 'Main Street' of Telephone Buildings

TELEPHONE facilities require lots of building space. If all the buildings built by Southern Bell in Florida since 1945 were placed together they would form a "Main Street" for a good-sized town. There would be 30 completely new buildings and 23 additions to existing buildings.

And the number of new telephones made possible by these buildings and the millions of dollars of equipment put into them would be more than enough to serve another city the size of Miami.

In the last five years Southern Bell has nearly doubled the number of telephones in

Florida—more than tripled rural telephones—increased long distance circuits 38%—converted thousands of telephones to dial operation and improved the service in many other ways. And to do those things we had to build \$100,000,000 of new facilities. That's nearly twice as much as we had invested in Florida five years ago.

And we must go on building in order to meet the continuing heavy demand for telephone service. That makes it important to Florida to have a financially healthy Telephone Company.

# WE ARE IN STEP WITH THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to KEEP IN STEP with what is going on here in this vast agricultural area on the eastern shore of Lake Okechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

KEEPING IN STEP with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

Here In Our Newspaper  
Office We've Spent .....

## 25 Years Doing One Thing Well

Each week for more than a quarter of a century this Newspaper has reached its readers each Friday morning with full and complete news coverage of the Lake Okechobee Farm Area. Bringing out The Everglades News each week—on schedule—has grown to be a habit with those of us who produce it. Not once during the 25 years of its existence has this newspaper missed a publication day. Through floods, hurricanes and other adverse antics of nature we have managed to make the deadline. It has been no small accomplishment.

Canal Point, Fla.

## County Commission—

Continued from page 1  
tination of a new road being built along the shores of Lake Worth away from the ocean.

Replacement of West Palm Beach Canal bridge at Canal Point on SR 15, and replacement of North New River Canal bridge on SR 80 at South Bay. Present spans are described as inadequate as to width and load capacity. Mr. Rardin said.

Construction of Indiantown Rd. from Martin County line parallel with Seaboard Air Line railroad tracks, to meet road now under contract between A1A and SR 7 in the northern part of the county. This would be a part of the old Bee Line Hwy. project extending from Jupiter to Tampa.

Widen SR 80, Southern Blvd., to four lanes between Military Tr. and Parker Avenue, West Palm Beach.

Resurface SR 15 between Belle Glade and Canal Point.

Rebuild A1A on new location south of Jupiter, eliminating two railroad crossings.

Resurface SR 5, Federal Hwy., through Lake Worth from Lantana north to West Palm Beach Canal, except four blocks north of Lucerne Ave., Lake Worth, which were recently rebuilt.

Widen and resurface SR 80 to 24-ft. pavement from Loxahatchee to Military Tr.

Resurface SR 80 in the Everglades from Six-Mile Bridge to 20-Mile Bridge.

Pave Dixie Hwy. in West Palm Beach from the Canal north to Southern Blvd., providing four lanes of traffic, plus space for parallel parking.

Rebuild and improve Palmetto Park Rd. in Boca Raton east to Ocean Blvd.

Widen and improve pavement on SR 703 for 4,000 feet to intersection with SR 5.

Resurface SR 802 through Lake Worth from SAL tracks to SR 5.

Improve pavement on SR 715 from Pahokee State Farmers Market north to SR 15.

Construct SR 7, Range Line, from SR 80 north to Okeechobee Rd.

Provide adequate bridge on SR 7 across West Palm Beach Canal. Secondary road system projects sought:

Extend Bolles Canal Rd. to east line of section 30 to intersection with Vinegar Bend Rd.

Construct 1.5 miles between Bacom Pt. extension and SR 15, intersecting SR 15 at Cardwell.

Provide for carrying costs and maintenance on 8th St. Bridge at Delray Beach.

Assume maintenance of SR 809 from Delray Beach Rd. to Boynton Beach Rd.

Rebuild one mile of Boynton Beach West Rd. on approved location.

Pave Congress Rd. from Lantana Rd. north to SR 802, Lake Worth Rd.

Allocate approximately \$25,000 for right-of-way acquisition for approved projects in primary road

program.

Construct Okeechobee Rd. two miles east from SR 7 to connect with present extension if SR 7 is extended as planned. As an alternate, construct a connecting road between Belvedere Rd. and Okeechobee Rd. west of SAL Railroad by way of Australian Ave., West Palm Beach.

Extend 45th St. (Port Lonesome Rd.) from present project east to Pinewood Ave., West Palm Beach.

Provide for cost of right-of-way necessary for Juno Beach Rd. requested in primary proposal.

## Home Bible Classes Started Thursday

A series of interdenominational Home Bible Classes was started Thursday evening of this week at the home of Mrs. Roy Vandegrift, Sr.

The classes are being sponsored by the Everglades Presbyterian Church, with women of all faiths invited to attend. Mrs. Frank Lutz of Belle Glade is the teacher.

## Safety Council Will Be Formed In County

The Palm Beach County Citizens Safety Council will set up and launch its program, directed primarily towards decreasing the present county traffic accident rate, within "the very near future", newly-elected president A. E. Bound has announced.

Bound was unanimously elected president last week, when the group's by-laws were approved.

Other officers: Vice president, Ed M. Mackin, Lake Worth; Harry Jackson, Jupiter; James W. Vann, Pahokee; James L. Gay, Belle Glade, and Howard Lee Cromer, Delray Beach; J. K. Roberts, treasurer, and C. D. Hartman, recording secretary.

Officers will elect nine board of directors, who will establish council policies and also name a finance committee.

The vice presidents will set up meetings in their individual districts "so that we may achieve a county-wide integrated organiza-

tion", Mr. Bound said.

Promotion of safety on the highways was tabbed as the council's fundamental objective for 1951, with promotion of safety in industries, homes, on the streets and in other public places to be given second priority as the council and its program is enlarged.

The council will operate as "an independent, non-commercial, non-political and non-profit organization," the by-laws state.

Council services to members, as listed in the by-laws, are: "to promote and assist in community safety activities designed to decrease the number and cost of accidents and to ascertain how they could be prevented; to promote an energetic educational campaign in the schools and with the general public which will bring these facts to the attention of the public and result in remedial practices and to work with public authorities for proper legislation and enforcement and proper street facilities."

Representatives on the council include county and local officials, judicial and law enforcement officials, Florida Highway Patrol

and those representing various safety, welfare and civic organizations.

## New Lodge Officers Are Installed

New officers of Everglades Lodge 211, F&M, installed at a recent meeting in the Masonic Hall included Cecil L. Hall, worshipful master; J. P. Parker, senior warden; C. W. Ammons, junior warden; Robert Henderson, treasurer; S. J. Baggett, secretary; W. Y. Unwin, chaplain; Axel Jensen, senior deacon; A. W. Jones, junior deacon; J. E. Rogers, senior steward; T. E. Baldwin, junior steward; F. G. Gillis, tiler, and Ellsworth Keen, marshal. Perry E. Hall acted as installing officer and A. R. Harrington, installing marshal.

National Airlines smashed a number of records in 1951, according to president G. T. Baker. It nearly doubled its cargo tonnage, and carried more passengers both summer and winter than ever before.

# ALL-STAR LINE-UP FOR '51!

**FIRST DISPLAY SATURDAY**

Standard equipment, accessories and trim illustrated are subject to change without notice.

**Y**our first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

Optional extra cost—available on most models. (Not presently available in California or Massachusetts)

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by

the exuberance of its power and action.

We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass and a host of other news-making features you can't afford to miss.

So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.
